KorlaguntaNandini

Career Objective

Computer and Communication Engineering student with expertise in Python, SQL, Machine Learning, and Data Analysis. Seeking opportunities to apply technical skills in AI, Data Science, and Software Development.

Education

B.Tech in Computer and Communication Engineering (CCE)

Graduation: 2028

Amrita Vishwa Vidyapeetham, Chennai Campus

CGPA: 8.71/10

Technical Skills

Languages: C, Python, SQL

Libraries: Pandas, NumPy, Scikit-learn, Matplotlib

Tools: MATLAB

Concepts: Machine Learning, Data Analysis, Data Structures, Operating Systems

Professional Skills

Core Strengths: Problem Solving, Analytical Thinking, Attention to Detail

Collaboration: Team Collaboration, Cross-functional Communication

Work Practices: Time Management, Self-Learning, Adaptability

Experience

Axcentra Technologies — Data Science Intern

Feb 26, 2026 – Mar 26, 2026

- Worked with Pandas, NumPy, and Matplotlib for data analysis and visualization.
- Performed data preprocessing and exploratory data analysis on real-world datasets.

IBM SkillsBuild – Edunet Foundation — Machine Learning Intern

May 31, 2025 – Jul 31, 2025

- Developed a salary prediction model using machine learning techniques.
- Applied data preprocessing, feature engineering, and model evaluation.

Projects

Food Spoilage Detection System

- Developed an IoT-based monitoring system using Arduino, methane, and moisture sensors for early food spoilage detection.
- Integrated Bluetooth communication to provide real-time alerts and improve food safety monitoring.

Employee Salary Prediction Using Machine Learning

- Developed predictive models using Python and machine learning algorithms for salary estimation.
- Performed data preprocessing, feature engineering, and model evaluation to improve prediction accuracy.

Breast Cancer Diagnosis Using Machine Learning

- Built a classification model using clinical datasets for breast cancer diagnosis.
- Applied feature selection and performance evaluation techniques to achieve reliable predictions.

Certifications

- Programming in C – Infosys Springboard
- Artificial Intelligence: Beginner's Guide – Simplilearn SkillUp
- Basics of Data Structures and Algorithms – Simplilearn SkillUp

Languages

English, Hindi, Tamil, Telugu
